Kolibri Beteiligung GmbH: Bond now also admitted to trading on Euronext ABM in Oslo

Cologne, 13 August 2025 – Kolibri Beteiligung GmbH today received approval for trading of its secured bond (ISIN NO0013461384) on Euronext ABM in Oslo. The Nordic bond issued in January 2025 with a current volume of 145 million euros (maturity 2025–2029) is now tradable in Norway in addition to the Frankfurt Stock Exchange. An increase to up to 200 million euros is possible during the term.

With the secondary listing in Oslo, the company is strengthening its international presence and expanding access to its Scandinavian investor base.

The group comprises Zeitfracht Medien GmbH, Zeitfracht Logistik GmbH and German Airways GmbH. These companies serve customers from a variety of industries, including publishing, media, electronics, fashion and aviation. In the first half of 2025, revenue and EBITDA slightly exceeded targets, driven by operational efficiency improvements, market expansion and growing demand in all business areas.

Further information on the bond can be found at: <https://anleihe.kolibrigruppe.de>
